#### (a) Search Services.

The Search Fees owed to Google under this Agreement will be calculated using the number of Requests for Search Results Sets as reported by Google.

#### (b) Offset.

Google will, unless it has notified Company otherwise, offset the Search Fees payable by Company under this Agreement against Google's payment obligations to Company under this Agreement.

#### (c) Invoices.

Even if the Search Fees are offset under subsection 10.1(b), Google will invoice (or send a statement of financial activity to) Company for Search Fees in the month after the Search Fees are incurred. Company will pay the invoice amount, if any, to Google within 30 days of the date of invoice.

(a) For each applicable Advertising Service, Google will pay Company an amount equal to the Revenue Share Percentage (listed on the front pages of this Agreement) of Net Ad Revenues attributable to a **calendar month**. This payment **will be made** in the month following the calendar month in which the applicable Ads were displayed.

(b) Google's payments for Advertising Services under this Agreement will be based on Google's accounting **which may be filtered** to exclude (i) invalid queries, impressions, conversions or clicks, and (ii) any amounts **refunded** to advertisers in connection with Company's failure to comply with this Agreement, as reasonably determined by Google.

Company is responsible for all taxes (if any) associated with the Services, other than taxes based on Google's net income. All **payments** to Company from Google **in relation to** the Services **will be treated** as inclusive of tax (if applicable) and **will not be adjusted**. If Google is obligated to withhold any taxes from its payments to Company, Google will notify Company of this and **will make** the payments net of the withheld amounts. Google will provide Company with original or certified copies **of tax payments** (or other sufficient evidence **of tax payments**) **if any of these payments are** made by Google.

(b) All payments due to Google or to Company **will be** in the currency specified in this Agreement and made by electronic transfer to **the account notified** to the paying party by the other party for that purpose, and the party receiving payment will be responsible for any bank charges assessed by the recipient's bank.

(c) In addition to other rights and remedies Google **may** have, Google may offset any payment obligations to Company that Google **may** incur under this Agreement against any product or service fees **owed to Google and not yet paid by Company** under this Agreement or any other agreement between Company and Google. Google may also withhold and offset against its payment obligations under this Agreement, or require Company to pay to Google within 30 days of any invoice, any amounts Google may have overpaid to Company **in prior periods**.
